

Devine Independent School District

CORE IDEOLOGY

Core Values

- ◆ Students and staff must feel safe and valued while in school.
- ◆ Teachers and parents who promote and value an education enhance a child's education.
- ◆ Students must be given the opportunity to reach their academic and social potential through high expectations, sound curriculum, and differentiated instruction.
- ◆ Enthusiastic educators have a passion for teaching and continuous professional growth.
- ◆ All district employees will be examples of professional and ethical conduct and will promote and enhance a positive and collaborative school climate.

Purpose of Education

- ◆ Education provides opportunities to be a contributing productive citizen.
- ◆ An educated populous will preserve and protect our democratic ideals.
- ◆ Education expands one's global perspective and understanding of historic events and their impact on the future.
- ◆ Education promotes continual learning as well as personal and professional growth.
