Devine P.T.O.

Working together to make a difference

Join the Devine Parent Teacher Organization

*Welcome to a new year for our students, teachers and parents. We look forward to working with all members this year. The Devine P.T.O. is a parent-teacher organization that helps underwrite student field trips and supports teachers through classroom funds for supplies. We also purchase large items for each campus that the principals request. All items purchased are voted on by members. We **appreciate** your membership, support and attendance at P.T.O. meetings. Each member for the 2011-2012 year will receive a small gift as a token of our appreciation.*
