

Homework Room

**Looking for a group of good people
to help us at the Homework Room.**

If you have a few hours to spare each week we need your help.

The Devine ISD, through the Parent Learning Network, is interested in helping students and their parents find help with homework. One of the main things we hope to do is provide a place for children, with their parents, to study and work on assignments, along with mentors and tutors for those times when they are stumped and need a little extra help.

The Devine Public Library is providing a room for us to use on Monday and Thursday from 4:00 to 6:00 pm.

All adults working in this program will be required to have a background check through the DISD. We will need help with the mentoring and tutoring if you can give some time.

Honor Students: See you Advisor for more information.

Others interested please contact Mickie Schulze (830-663-3773, 210-313-3736. micpink@hotmail.com) or come to a volunteers orientation meeting on Thursday, October 12. The meeting will be at the Devine Public Library from 6:00 to 7:00 pm. We will go over a training booklet, fill out application forms and just get to know each other.
